

DUDLEY SWIMMING INSIGHT – SUMMARY OF 2023 PRIMARY SCHOOL SWIMMING DATA

Introduction

This is the latest edition of our annual *Primary School Swimming in the Black Country* dataset, pulling together information from a range of sources including Key Stage 2 performance data and primary research conducted by Active Black Country and partners.

Key Stage 2 Swimming Measures

Schools should provide sufficient swimming opportunities to ensure all pupils make progress and achieve their very best in swimming and water safety. By all pupils this includes those with special educational needs, those with a disability or impairment and those whose first language is not English. The requirement is for all Year 6 pupils to meet the statutory minimum standard of capability and confidence in swimming and safe self-rescue, as set out in the national curriculum. The minimum requirement is that, by the time they are ready to leave Key Stage 2, every child is proficient across a number of key areas;

25m Proficiency

Every child, by the time they are ready to leave Key Stage 2 is able to swim confidently, competently and proficiently over a distance of at least 25m

Water Safety

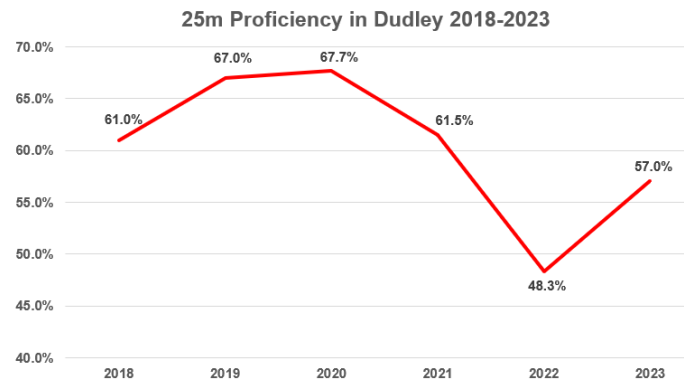

Every Year 6 pupil should be able to demonstrate safe self-rescue and evidence this in different water-based situations.

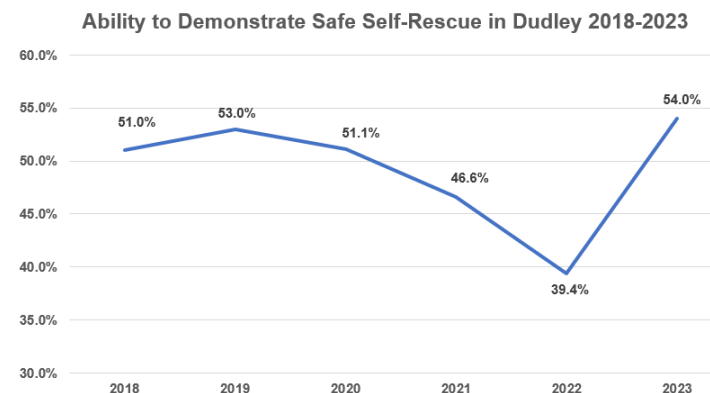

Pupils should also be able to demonstrably make choices about the strokes used to achieve different outcomes, evidence alternating and simultaneous strokes and adapt strokes for a range of outcomes. This dashboard will focus on the first two indicators

Active Black Country undertake desk-based research every year along with ongoing stakeholder engagement to collate information for all primary schools, providing us with a robust time-series dataset against which decisions can be made.

25m Proficiency

Water Safety

	% of Year 6 Pupils able to swim 25m
Dudley	57%
Black Country	51%

Whilst the number of pupils leaving primary school in Dudley who are able to swim 25m has increased considerably over the last year, it is still considerably lower than pre-covid levels.

Almost 4 in 10 pupils in the borough are finishing Year 6 without this important ability, equating to approximately 1769 young people.

	% of Year 6 Pupils able to perform safe self-rescue
Dudley	54%
Black Country	52%

The proportion of Dudley primary school leavers who have been able to demonstrate safe self-rescue has increased to 54% in the last year, over and above pre-covid levels

The 46% of this cohort who didn't meet this criteria accounts for approximately **1924** young people in the borough.

Further Insight

To supplement the Key Stage 2 swimming data, collated from information schools are required to publish on their websites, Active Black Country undertake an annual survey with primary schools to understand some of the context that underpins the numbers. This sections provides a summary of the insight collated. **54** Dudley Primary Schools provided responses.

Learn to Swim

In total, the majority of Dudley schools (28%) do between 21-25 hours of learn to swim whilst in Primary School, when taking into account dry side tuition and pool time.

Dry Side

Pool Time

■ 0-5 hours ■ 6-15 hours ■ 16-25 hours ■ 25+ hours

Average Length of Lessons

Year in which schools start swimming lessons

Yr R-2: **9%** Yr 3: **43%** Yr 4: **34%** Yr 5: **5%** Yr 6: **9%**

Top Up Swimming

37% of Dudley Primary Schools intend to use PE and School Sport Premium funding for Top Up and Additional Swimming lessons. **24%** do not, whilst **39%** are undecided

Swimming Offer

64% of Dudley Primary Schools would like to increase the amount of in-water swimming that they currently offer to pupils. **26%** want to increase dry-side learning

Teaching Staff

80% Use their teaching staff to support swimming instructors carry out lessons
6% use their own teachers to deliver swimming lessons

Good Practice

Year 2 introductory afterschool club gives our swimmers a 'head start' before year 3 and 4 provision.

6 teachers had completed their poolside training to support external provider in emergencies

Challenges

Struggling to book top up swimming for Year 6 due to centres being fully booked

More availability of swimming teachers and pools so we could swim in the afternoons
