Keynote Speakers

WELCOME AND INTRODUCTION

Amanda Tomlinson, Chair of Active Black Country

As Chief Executive of Black Country Housing Group, Amanda is passionate about the role physical activity can play in addressing health inequalities and economic disadvantage. She is an advocate for physical activity as a way to improve mental health and wellbeing.

Having never been a runner throughout her life, Amanda is proud of achieving the couch to 5k programme in late 2019, then progressing to Park Run. This has provided her with an insight into how hard it is to initially take up an activity, but equally how beneficial it can be and is keen to help shape and influence opportunities for others to do the same.

EVENT HOST

Jacqui Oatley MBE

Jacqui Oatley is one of Britain's leading sports presenters and commentators - a hugely respected and versatile broadcaster with almost two decades of experience. Jacqui made history in 2007 as the first female commentator on Match of the Day and has been racking up the "firsts" ever since. She is currently lead commentator on Sky Sports' coverage of the FA Women's Super League and presents EFL on Quest as well as darts for ITV Sport.

As a former player and FA qualified coach, Jacqui has commentated, reported, and presented at several major football tournaments around the world, including FIFA World Cups, Euros and Olympic Games as well as multiple FIFA Women's World Cups and Euros for both TV and radio.

Jacqui has always had an innate passion for a wide range of sports. She is the UK's first female darts presenter, having fronted ITV Sport's PDC tournaments since 2015 and has covered various other sports including tennis, golf, rugby league and snooker.

Primary School Conference

Keynote Speakers

Steve Parry MBE

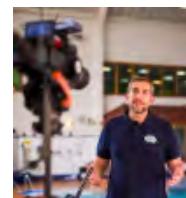

Steve Parry is one of Britain's greatest swimmers, with career highlights including winning the Bronze medal for the 200m Butterfly at the 2004 Athens Olympics and setting an Olympic record in the semi-finals, impressively beating Michael Phelps – one of only four people to ever do so at the time.

After retiring from professional swimming, Parry went on to create Total Swimming Group and Total Gymnastics Group. Businesses under these groups include Total Swimming Academies, Becky Adlington's SwimStars and Beth Tweddle Gymnastics, which have over 30,000 children taking part on their programmes every week.

Steve is the former Chair of the outdoor swimming and water safety programme Swim Safe. Run jointly by Swim England and the Royal National Lifeguard Institute – which has saved over 142,000 lives since it started nearly 200 years ago – it teaches young people how to have fun and stay safe when swimming outdoors.

As a seasoned motivational speaker, Parry talks about overcoming adversity, implementing a vision, how to turn failure into success and embracing change.

For the past 12 years, Parry has been heavily involved with the media, regularly presenting and contributing on BBC Radio 5 Live and BBC Sport, covering major swimming, diving and cycling events.

Nicola Turner MBE

Nicola Turner MBE is Director of Legacy for Birmingham 2022 Commonwealth Games, the largest sports and culture event ever to be staged in the West Midlands.

Nicola's job is to ensure the people, businesses and institutions in the region directly benefit from the Birmingham 2022 Commonwealth Games. She is responsible for aligning and galvanising the Games partners to create a lasting legacy. She leads the planning and delivery of all legacy programmes including jobs and skills, volunteering, venues, participation of schools and young people, improving physical activity and wellbeing, civic pride and community cohesion. Details can be browsed on the website www.birmingham2022.com/legacy

Primary School Conference

Keynote Speakers

Sue Wilkinson MBE

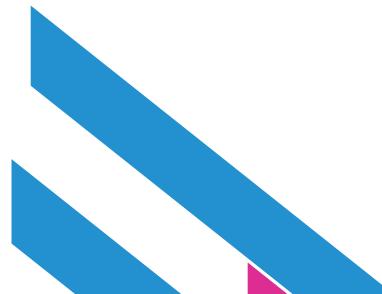

Sue was formerly secondary trained in Human Movement Studies and taught in secondary schools and completed outreach work in local schools. Having then been selected to take a lead on a TDA initiative for a Local Authority re: training primary colleagues as specialist in physical education, she then went on to become an Advisory Teacher responsible for first, middle and primary school physical education.

Sue trained as an Estyn and Ofsted team inspector for primary physical education. Whilst working in a Local Authority she was seconded to several Universities working on Initial Teacher Education programmes both in England and Hong Kong. Sue loved this work and became a Director of PE ITE and then as an assistant Director of Teaching and Learning at a Midland University. From there she was then seconded by the British Association of Advisers and Lecturers (baalpe) and the Youth Sport Trust (YST) to work on a national strategy for professional development, including the design of the PESSCL programme.

In 2003 Sue became the full time Professional Development Manager for baalpe and in 2006 when baalpe and PEA UK merged, she became the national Business Development Manager. Having overseen several national strategies for PE and school sport, and becoming a technical adviser to the TDA, Sue became the Association for Physical Education (afPE) Strategic Lead in 2011. She has authored and co-authored several publications and is currently leading the association's initiatives for Quality Mark, effective use of the Primary PE & Sport Premium and the new trail blazing Level 5 and 6 qualification for primary generalists in PE.

In 2017 Sue was promoted to the role of Chief Executive Officer of afPE and subsequently received an MBE for her services to education.

In July 2019, Sue received an Honorary Doctor of Science from the University of Bedfordshire for her outstanding services to physical education.

Workshop C

Active Travel

Deliverers:

Sameena Parvaz, Living Streets and Sarah Bicknell, Canal and River Trust

Sameena Parvaz

Sameena is the Project Coordinator at Living Streets for the West Midlands working specifically with WOW the Walk to School Challenge. She has over 20 years of experience within the charity sector; working at grassroot and strategic levels with a focus on capacity building and behaviour change in a diverse environment.

Sarah Bicknell

Sarah has worked for the Canal & River Trust for many years. My role is to recruit, train and manage a group of education volunteers known as 'Explorers'. The Explorers Volunteers lead KS1 & KS2 curriculum linked school workshops and Outdoor Learning visits to the waterways. I manage our school bookings and develop new self-led resources for you to deliver in your classroom and alongside your local canal or river.

The Canal & River Trust is the charity who looks after and brings to life 2,000 miles of waterways, because we believe that life is better by water. 'Explorers' is the Trust's education programme aimed at children aged 5-11. We inspire children's learning by connecting them to our canals and rivers - www.canalrivertrust.org.uk/explorers.

I love delivering Outdoor Learning along the waterways! I grew up boating and visiting canals and appreciate the value it has for our wellbeing and learning about its heritage, wildlife and how to respect the dangers of being by water. It's great to pass on my passion to children and support teachers in leading safe and fun learning experiences.

The Albion Foundation

The Albion Foundation is the official charity partner of West Bromwich Albion Football Club. It is to create a Proud Albion Family, Engaged, Inspired & Achieving its Potential.

inspire to achieve

We use the power of football to deliver excellence in Wellbeing, Behaviour Change and Active Lifestyles. Our WBA ONE OFFER for primary schools works in line with the Premier League Primary Stars delivery. We believe in growing our own staff through a structured CPD programme to constantly develop. Schools will not only receive superb value for money, but through innovative, well organised, engaging and relevant sports activities, all delivered in line with OFSTED and National Frameworks, pupils will develop holistically.

Wild Tribe (ConnectEd)

www.connectedpartnership.com/wild-tribe/

Wild Tribe allows teachers and education providers to take the curriculum outdoors to enhance children's learning, while providing a safe, healthy and fun environment. Children can learn new skills, work as part of a team, and grow as individuals. All this can be achieved while learning outside, this includes fire lighting, cooking outdoors, building shelters, and using tools. This kind of learning can give children the ability to problem solve, form stronger relationships and trust with teachers, gain life skills such as cooking and understanding how the environment changes.

Active Black Country

Creating an active, healthier region

Black Country Rainbow Hour

A campaign encouraging all schools to commit and provide all pupils access to one hour of wellbeing and physical activity each day. The frequently released resources seek to build confidence and strengthen the support young people have through positive physical, mental, social and emotional companionship, challenge and fun.
